

## LOCAL ASSOCIATION TASK LIST

---

### Education

- Local association executives will be required to attend mandatory Ringette BC training sessions on COVID-19 protocols.
  - Local associations will ensure that their volunteers and coaches attend their league COVID-19 training session.
  - Associations will be required to attend the Coach Training Session run by Ringette BC.
- 

### Facility Protocols

- Local associations should connect with the facilities they utilize to obtain site specific protocols and guidelines.
- Local associations should share information with their members as needed.
- Local associations will need to create a COVID-10 Safety Plan (Template and example provided by Ringette BC)
- Local Associations will need to utilize the COVID-19 Activity Checklist provided, and ensure their coaches do the same
