

Zone Competitive Division

Coaching Application Overview

The U14, U16 and U19 Zone Division is comprised of regional teams that are roughly based on the BC Winter Games geographic zones; however, as the BC Winter Games Zone boundaries do not directly match the distribution of Ringette players across BC, the boundaries will be adjusted based on participant registration. For the 2020-2021 season, zone teams will be female only and male only in U14, and co-ed in both U16 and U19. U14 Zone Teams will be female only or male only.

The teams will train and practice within their Zone to help limit travel and increase access to facilities. Preference for Head Coach selection for each team will be given to Coaches that reside in the Zone to assist in training and developing Coaches for the long-term benefit of the sport.

Coaches should review the Ringette BC Guidelines for [U14 Zone](#) and [U16/U19 Zone](#) prior to applying.

The coaching application process will open **September 15th** and will conclude by **September 30th**. The Coach Selection Committee for Zone Competitive division will be comprised of a Ringette BC representative, a league representative and a representative from each association within the zone, and otherwise will follow Ringette BC's established process for Coach Selection.
